PRAMOD PANDEY

+91 7898210105 • ppandey200203@gmail.com

EDUCATION

Lakshmi Narain College of Technology **Nov 21 - Present**
Bachelor of Technology in Information CGPA – 8.09

International Public School **2014 - 2021**
12th Standard (CBSE) Percentage - 89
10th Standard (CSBE) Percentage - 92

PROJECTS

SyncScript | Github **March 24 - May 24**
Realtime Code Collaboration Platform
- Real-time Collaboration: Edit code together with others in real-time, with instant updates visible to all collaborators in a shared workspace
- Run and Share Code: Execute code directly within the webapp and easily share snippets with others using unique links for quick distribution and access
- Interactive Workspace: Work in a collaborative environment with synchronized edits and built-in chat, facilitating teamwork and discussions

Technology Used: ReactJS, Express, Socket.io, PasteBin, CodeMirror, Tailwind

Bloggit | Github | https://justbloggit.netlify.app **April 23 - June 23**
Minimal Blogging Platform
- User Authentication: User registration and login using Firebase authentication
- Blog Creation: Intuitive blog creation interface with a rich text edit and the ability to add images, links, and format text in blog posts
- Blog Sharing: Easy sharing of blogs via unique URLs and social media sharing integration for wider reach

Technology Used: ReactJS, Firebase, Jotai, Chakra UI, Framer Motion

First Page | Github | first-page-books.netlify.app **March 23 – April 23**
Book Exploration Platform
Technology Used: ReactJS, Supabase, Redux, Vanilla CSS, Framer Motion

SKILLS

Languages: C, C++, Javascript, Python **Backend:** NodeJS, Express
Frameworks: ReactJS, NextJS, SvelteKit **Databases:** Firebase, MongoDB, MySQL
Theory: OOPS, DBMS, OS, DSA

ACHIEVEMENTS

Competitive Programming
Leetcode contest rating of 1861 [personal highest] with 600+ questions on various platform

SIH'23 Finalists
Got selected in SIH'23 to represent our team at a national stage
